ROUDYBUSH™

**FORMULATED BY DR. ROUDYBUSH,
ONE OF THE WORLD LEADING
BIRD NUTRITIONIST**

Roudybush, Inc. manufactures specialized bird foods, developed by world-reowned avian nutritionist, Dr. Tom Roudybush.

Dr Roudybush worked at the Department of Avian Sciences at the University of California & for 16 years where he researched the nutritional requirements of pet birds.

With this research, he developed the most nutritionally advanced range of pet bird food. Most of the published nutritional research on pet bird nutrition has been written by Dr. Roudybush.

Dr. Roudybush began manufacturing his diets in California in 1985, & with a state-of-the-art production facility, to achieved his high-quality standards.

**When nutrition is important,
Roudybush premium foods
are second to none.**
